HOW IT CAME ABOUT.

FREMONT, Neb., September 7.—At 11 o'clock this morning the following printed notice was circulated in the streets and at the hotels among the delegates to the congressional convention:

NOTICE.
All delegates to the republican congressional convention of the Third district will hand their credentials to the chairman of the republican congressional convention committee in order that their names may be entered on the roll for temporary organization.

Rooms over postoffice.
L. CHAFFIN, Chairman Republican Central Com. M. WHITMOYER, Sec. Cong. Cent. Com. Fremont, September 7, 1894.

This notice created great commotion and excitement in the Valentine camp.

Valentine called in person at the post office hall demanding to know by what authority this action was taken. He was informed that it was done by authority of the state central committee which had selected Judge Crouse chairman, and Mr. Whitmoyer as secretary of the congressional convention of the Third district.

This was in accordance with the established usage of the state central committee that requires delegates to submit their credentials so that those having prima facie authority can be supplied with tickets of admission. About noon the following counter circular appeared on the streets:

WHEREAS, the state central committee at its meeting for that purpose duly passed a resolution authorizing and empowering the resident members of the state central committee to call the congressional convention of the Third congressional district to order, and

WHEREAS, S. B. C. Lyon, of Fremont, Nebraska, is said member, and is therefore the proper person to call such convention to order, I will therefore call such to order at 2 o'clock P. M., of this day.

Dated, September 7th, 1894.
Resident Member of Republican State Central Committee.

We, the members of the republican state central committee, certify that the above action was taken by the republican state central committee and endorse the above call.

W. D. MATTHEWS, JOHN A. EHRHARDT, R. J. WYMAN, C. W. E. DORSEY, Proxy for S. B. C. Lyon.

Members of Republican State Central Committee.
(As a matter of fact no such resolution was ever adopted by the state central committee, and some of the pretended signers of this document were not at Fremont.)

THIRD DISTRICT.

THE REGULAR CONVENTION.

Special Dispatch to The Bee.

FREMONT, September 7.—At 2 p. m. Hon. Lorenzo Crouse, chairman of the district congressional committee, called the convention to order.

Hon. Wm. F. Goodwill, of Lincoln county, was elected temporary chairman, and Hon. H. W. McClure, of Holt county, secretary.

The following committee on credentials was appointed: P. Haggerty, of Holt; E. C. Calkins, of Buffalo; E. A. Fry, of Knox; S. P. Parker, of Pierce; and D. L. Bruhn, of Platte.

The committee reported back the following persons as entitled to seats in the convention:

Custer County—J. D. Ream, Knox—Will Felber, O. W. Rice, Albert Pavaska, T. J. Buckmaster, Ed. A. Fry and Oliver Jackson.

Platte—Leander Grant, D. L. Brenner, Robert Wiley, A. Hinerick, W. J. Wheeler and W. H. Selson.

Lincoln—H. C. Colburn, W. F. Goodwill, E. C. Calkins and C. S. Grover.

Pierce—S. P. Parker and E. P. Holmes.

Holt—Patrick Haggerty, S. M. Brenner, H. W. McClure, C. E. Herman and G. M. Cleveland.

gentlemen were appointed the committee on resolutions: G. M. Cleveland, J. D. Ream, Leander Grant and A. H. Connor. The committee reported the following resolutions:

THE PLATFORM.
We, the republicans of the Third congressional district, hereby affirm our loyalty to the cardinal principles of the republican party as enunciated through the national republican convention that nominated Garfield and Arthur.

WHEREAS, the republican party has ever since its organization been foremost in adopting measures beneficial to the laboring and producing classes.

Resolved, That the question of transportation is one of the most important problems now before the people for solution, and that the republican party of Nebraska should voice the sentiments of the people thereon in no uncertain sound; that all transportation routes should be so controlled by the state and general governments as to prevent extortion, unjust charges and discrimination in any form or manner, that the property of farmers and railroad companies throughout the United States in consolidating and pooling otherwise competing lines and issuing free passes to public officers is contrary to a sound public policy, and should be prevented by proper legislation.

Resolved, That we are in favor, at present, of reducing all railroad fares for travel in this state to a minimum charge of three cents per mile.

Resolved, That we are in favor of abolishing the state board of equalization so that all the property of farmers and corporations shall be assessed and taxed in the same manner as the property of individuals.

Resolved, We are heartily in favor of the bill recently introduced in congress to compel land grant railroads to take out patents on their land, so that the same may be taxed, as lands owned by individuals are taxed.

Resolved, That we, the republicans of the Third congressional district of Nebraska, are in favor of a careful, honest and economic expenditure of public moneys in the state, state and national, that we heartily endorse the action of President Arthur in vetoing the river and harbor appropriation bill recently passed by congress, whereby millions of dollars of the public moneys were recklessly squandered; that we condemn the action of members of congress and senators who voted to pass said bill over the veto.

A congressional district committee was appointed, consisting of twelve members.

Leader Gerrard nominated Hon. M. K. Turner, of Platte, as representative in congress. The nomination was seconded by several delegates and on motion of Gen. Connor was made by acclamation.

Mr. Turner was called for and requested the platform to be read to him. He then endorsed its principles in an earnest and forcible speech and pledged himself to live up to it.

Resolving speeches were made by Gen. Connor, Hon. A. H. Hamer and others. The convention then adjourned sine die.

VALENTINE'S RUMP.

Special Dispatch to The Bee.

RAILROAD RUMOR OR RUMOR.

FREMONT, September 7.—Valentine's rump convention assembled at the opera house. S. B. C. Lyon, the uncle of his nephew (Fred Nye), got into the chair an hour before the meeting, and Val had a guard standing over him for fear that Crouse, the legitimate chairman, would come and take his place.

At 2 o'clock he called the meeting to order. Hon. O. A. Abbott was made temporary chairman and Charlie Lauder, railroad company secretary, was made secretary.

The meeting directed Messrs. Clarkson, of Colfax; Reinal, of Merrick; and Hopewell, of Burr, to proceed to the post office hall to request the convention there assembled to come to their meeting. An adjournment was had for this purpose for half an hour. In response to this invitation the following written reply was received:

A STINGER.
To the Gentlemen assembled at the Opera House:

In response to your message, we have to say that the regular republican convention for the Third congressional district of Nebraska is organized and in working order, having been called together by the chairman of the central committee. We are sorry that the gentlemen assembled in the opera house have revealed against the lawfulness of the railroad company secretary's call.

We cannot but deprecate the hasty and unauthorized action of the body of men there assembled, who have been misled as to their duties as republicans, and have decided from the lawful center of the authorized efforts of the party.

POSTOFFICE HALL, FREMONT, September 7.—The regular republican convention of the Third congressional district, now in session, requests you to transmit to your box the following message.

(Signed) W. F. GOODWILL, Chairman.

Committees on credentials, resolutions and permanent organization were then appointed. The committee on resolutions reported the following platform.

Resolved, By the republican convention of the Third congressional district: First—We reaffirm the fundamental principles of the republican party and pledge fidelity to the organization which has so long carried the ship of state through attacks by foes within and enemies without.

Second—That we pledge ourselves to ever protect the interests of the people as opposed to extortion or monopolies of whatever character.

Third—That we pledge ourselves to continue the sound financial policy which has ever characterized the management of the national finances by the republican party.

Fourth, That we pledge ourselves to use every honorable means to secure a pure ballot and a fair count in every state in the union.

Fifth, That in the chief executive of the nation we have an official worthy of the confidence and support of the republican party.

These resolutions were adopted without dissent. It was then moved to proceed to nominate a congressman, and the delegates present were authorized to cast the full vote of absent delegations. The result of this was that Valentine received 98 votes, Hopewell 21 Crouse 3, Persinger 7, Taffe 9.

Taffe's name was then withdrawn and the votes thrown to Valentine, who was declared duly nominated. A congressional central committee was then appointed.

During some of the intervals while committees were appointed, harangues were delivered by a number of post house judges.

That notorious bummer and deal best Gen. George A. Roberts made a violent, abusive and indecent assault on Senator Van Wyke and others. A resolution was also introduced censuring E. Rosewater, editor of The Bee. It was amended and finally laid under the table. Having performed its allotted task, the rump adjourned.

Lorne and Louie Leave for the West.
Special Dispatch to The Bee.

CHICAGO, September 7.—The Marquis de Lorne, the Princess Louise and party left on a special train this morning for San Francisco via the Great Northern.

The marquis said to a New York reporter that they were traveling without any well defined plans. Neither he nor the princess had visited British Columbia nor any portion of the western coast of the Dominion. It was their purpose to visit that part of her majesty's North American possessions in an easy, general way. They would go to San Francisco, traveling as suited their pleasure, and from there they would sail for Victoria, British Columbia, in the war vessel Comus, of which Captain East of the queen's navy is commander.

How long they will remain has not yet been determined and will not be until they arrive at Victoria. They all return by way of Chicago and may make a more extended visit in the city than now. Two years ago the Princess Louise visited Chicago in company with Prince Leopold. She was much pleased then and is glad to visit the city again, but as she has never been west of there she now desires to push on and visit the great west, of which such wonders have been told.

Bold Robbery.
Special Dispatch to The Bee.

PITTSBURG, September 28.—A remarkably bold robbery was committed last night or this morning at the tannery of James Collier, president of the Pittsburgh & Western railroad company, on River avenue, in Allegheny. The office of the tannery was entered by a rear window, which was pried open. The burglars proceeded to blow open the safe, using a large charge of powder that the big safe was blown a distance of four feet. The safe was then ransacked. Fifty-nine dollars in money and about \$50,000 worth of mining stock and other securities were taken. There is no clue whatever as to who the cracksmen were.
